### **GENERAL MEETING IS HELD AT THE AMERICAN LEGION POST EVERY 3RD THURSDAY AT 7:00pm, 709 E HIGHWAY 260, Payson, AZ 85541**

**FIRE RESTRICTIONS:** The Forest is under Fire Restrictions until rescinded or until August 30th. Therefore, when you are at the Range you are only allowed to smoke within an enclosed vehicle. Also, please be firewise ... if you are the last person at the range, please wait 15 to 30 minutes after the last shot to ensure there is no fire.

**JUNE GENERAL MEETING** will be on June 15<sup>th</sup> at 7 pm. Our speaker will be Guide Steve Smith with an update on the US Forest Service's Wolf Reintroduction Project. Steve is a great speaker with a lot of insight on our area.

**RSO MEETING:** The June RSO meeting has been postponed.

#### **THANK YOU:**

If you see Roy Haught, (Roy Haught Excavating), give him a big thank you for lending his blade to Smokey, our Range Manager, who was able to use it on the roads at the range.

Also, if you find yourself at Scottsdale Road and Shea Blvd. (Bear Arms Firearms) or meet Aaron Prewitt at the range, give them a thank you for their donation of a huge container of earplugs.

**JUNE "LADIES DAY":** Sunday, June 11<sup>th</sup>, 9 am, is planned to focus on rifles, so they will meet on the High Power Range. (As usual, bring your own rifle(s) or you can use the rifles that will be provided.)

**RANGE PISTOL BAY USERS:** Shooters **PLEASE** do not disturb the markers on the floor of the pistol bays. They are used by Steel Challenge to mark target locations!!!!!!

**REMINDER from our CHIEF RSO:** June is the busy month for our various public service organizations that use the range for qualifying, training, etc. Be sure to check the calendar to make sure the range you want to use will be free before you head out. (For the most part, the range is free mornings, but check anyway.) Also, before heading to the range, it is always a good idea to call **480-463-3505** for special messages and to see if the range has been closed (especially if we have recently had rain.)

**RANGE CHAIN PADLOCK COMBINATION:** The gate is repaired but sometime in the future the electronic gate may be "down" and we will have to manually unlock the chain padlock (and relock). Our Range Manager, Smokey, suggests you write down the code "3855" so you will be prepared.

**FOREST PLAN REVISION:** Public Meetings will begin the week of June 12th. Dates and locations for these meetings will be posted to the plan revision calendar. Information on the Wild & Scenic Rivers Process can be found at [www.tontoplan.org](http://www.tontoplan.org).

**HUNTER SAFETY CLASS:** Jan and Keith Nash conduct these classes. Go to the Arizona Game & Fish website for information and/or to sign up: [AZGFD.gov](http://AZGFD.gov)
